Letter of Recommendation

Dear Mr. Shane McLoughlin

This is a thank you letter for the great work Senator Windows carried out at the residence last week on Shewsbury Road in Dublin. Your employees were efficient, respectful and friendly towards my husband and mindful of the environment they were working in.

They left the residence in the same manner in which they arrived. Their timekeeping was beyond what you would expect. This is the first time we have used an Irish company to carry out this type of work and without hesitation I would recommend your company to any future clients. The quality of your work is of very high standard. From start to finish it was a most enjoyable experience.

I would like to wish you and your company all the best.
